

SIMPLY HEALTHY

A Beginners Guide To Become A Healthier You

SIMPLY HEALTHY

HELLO AND WELCOME TO "SIMPLY HEALTHY".

I WANTED TO CREATE THIS SHORT, BUT VERY EFFECTIVE INFORMATION FOR YOU AND EVERYONE ELSE THAT IS IN DESPERATE NEED TO MAKE A LIFESTYLE CHANGE.

I AM GIVING YOU THIS INFORMATION FOR FREE. I WANT TO HELP YOU. I WANT TO MAKE YOU FEEL LIKE THAT YOU ARE DOING SOMETHING GOOD FOR YOUR HEALTH. I WANT TO HELP YOU EXTEND YOUR LIFE.

PLEASE READ ON AND TAKE A LOOK AT THE THINGS THAT I BELIEVE CAN CHANGE YOUR LIFE!

"SIMPLY HEALTHY"

SIMPLY HEALTHY

BEFORE YOU START SCROLLING DOWN, PLEASE TAKE THE TIME AND FIND OUT WHO I AM. WOULDN'T YOU WANT TO KNOW THAT PERSON WHO IS HELPING YOU? I DEFINITELY WOULD WANT TO AS IT IS VERY IMPORTANT TO KNOW WHERE WE GET INFORMATION IN REGARDS TO OUR HEALTH. THIS IS OUR LIFE. THIS IS YOUR LIFE. THIS IS MY LIFE. LIFE IS A PRECIOUS GIFT. TO ME, WAKING UP THE NEXT DAY IS A BLESSING.

Another Day,
Another Blessing
& Another Chance
At Life.

WWW.LIVELIFEHAPPY.COM

SIMPLY HEALTHY

MY NAME IS ALEXANDER WITTHÖFT - OTHERWISE KNOWN AS "THE GERMANATOR". I EARNED THE NAME- "THE GERMANATOR" BECAUSE OF MY STRONG ACCENT AND DETERMINED ATTITUDE (AS IN "TERMINATOR")! MY PASSION FOR WORKING OUT STARTED IN GERMANY WHEN I WAS 10 YEARS OLD. I WAS INSPIRED TO DO SO TO OUT-SMART THE "BIGGER" AND OLDER KIDS THAT USED TO "BEAT ME UP". EVER SINCE THEN, I LOVED PERSONAL FITNESS AND HAVE WORKED TOWARD MY GOAL TO HELP OTHERS ACHIEVE THEIR PERSONAL FITNESS GOALS.

BEFORE VENTURING TO THE UNITED STATES, I HELD MANY JOBS. I WAS A PARAMEDIC, A CARPENTER, A SEMI-PROFESSIONAL CABLE WAKEBOARDER, FLOORING INSTALLER, AND SECURITY GUARD. AFTER MOVING TO THE UNITED STATES IN 2006, I DECIDED TO ATTEND NURSING SCHOOL AT KEISER UNIVERSITY - WHERE I BECAME VALEDICTORIAN OF MY CLASS. I WENT ON TO BECOME A NURSE IN THE ICU AT UNIVERSITY HOSPITAL IN TAMARAC, FLORIDA. I ACTUALLY TOOK THAT POSITION AFTER MY FORMER PROFESSOR CALLED ME - ASKING ME IF I WANTED TO MENTOR OTHERS IN THE NURSING FIELD.

DURING MY TIME IN NURSING SCHOOL AND AFTER GRADUATING TO WORK AS AN ICU NURSE, I DEDICATED MYSELF TO THE FITNESS INDUSTRY, HELPING AND ENCOURAGING PEOPLE ACHIEVE THEIR GOALS. I HAD ALSO FOCUSED MORE ON MY OWN PERSONAL FITNESS GOALS WHICH ONE OF THEM WAS TO COMPETE IN A BODYBUILDING SHOW. IN 2008 I COMPETED IN MY FIRST BODYBUILDING SHOW AT THE SOUTH FLORIDA CHAMPIONSHIPS AND PLACED FIRST. AFTER THAT I KNEW THAT I HAD TO KEEP PURSUING MY PASSION ALONGSIDE MY NURSING CAREER. AFTER THE EVENT IN 2008, I DIDN'T COMPETE FOR A FEW YEARS. I NEVER STOPPED TRAINING BUT I WANTED TO BUILD ON MY CAREER TO BECOME SUCCESSFUL WITH WHAT I LOVE TO DO, WHICH IS HELPING OTHERS. AFTER 4 YEARS OF HARD WORK, I FINALLY COMPETED AGAIN IN 2012. THIS TIME IN MEN'S PHYSIQUE. I TOOK A FEW TOP 6 AND TOP 2 PLACINGS BUT I FELT THAT THIS WAS NOT FOR ME. THEN IN 2015, I COMPETED IN MY FIRST WBFF SHOW. THIS IS WHERE I EARNED MY PRO CARD - SOMETHING THAT IS NOT EASY TO DO. EXCITINGLY ENOUGH, I COMPETED IN MY FIRST PRO SHOW - MY "PRO DEBUT" - ON APRIL 23, 2016, AND I PLACED FIFTH IN A STACKED CLASS. SINCE THAT DAY, I HAVE NOT COMPETED AGAIN BUT HAVE BEEN DOING A LOT OF PHOTO SHOOTINGS INSTEAD. I ALWAYS PREPARE FOR THEM JUST LIKE I WOULD FOR ANY SHOW. I ENJOY THOSE MORE THAN COMPETING AND I PERSONALLY BENEFIT MUCH MORE FROM PHOTO- AND VIDEO SHOOTINGS. IT'S MORE FUN.

THROUGHOUT MY FITNESS CAREER, I HAD A FEW POSITIONS AS AN AMBASSADOR FOR A VARIETY OF FITNESS COMPANIES BUT IT NEVER REALLY WORKED OUT UNTIL LATE OCTOBER OF 2017. I WAS OFFERED A SPONSORSHIP BY TOP SECRET NUTRITION AND HI-TECH PHARMACEUTICALS WHICH I AM PROUDLY REPRESENTING TO THIS DAY.

SIMPLY HEALTHY

TODAY, I AM MARRIED TO MY BEAUTIFUL WIFE, MARCIA. SHE IS A HUGE PART OF MY SUCCESS AND WITHOUT HER I COULDN'T BE WHERE I STAND TODAY. I STILL WORK AS A PART-TIME ICU NURSE AT NORTHWEST MEDICAL CENTER IN MARGATE - WHILE SIMULTANEOUSLY WORKING AS A MENTOR TO OTHERS AND AS A PERSONAL FITNESS COACH. I OFFER A LARGE VARIETY OF INDIVIDUALIZED & PERSONALIZED FITNESS PROGRAMS. THESE INCLUDE WEIGHT LOSS, WEIGHT GAINING, CONTEST- AND PHOTO SHOOT PREPARATIONS, STRENGTH TRAINING, MEAL PLANNING, SUPPLEMENTATION, BLOOD WORK ANALYSIS, GROCERY SHOPPING LIST DESIGNING, ONE ON ONE PERSONAL TRAINING, SKYPE CALL MENTORING & COACHING AND MANY SMALLER THINGS THAT ARE INVOLVED WITH FITNESS AND HEALTH. I WORK WITH A LARGE VARIETY OF CLIENTS- YOUNG, OLD, INJURED, AMATEURS, PROFESSIONALS, MALES AND FEMALES. SIMPLY PUT- I WORK WITH EVERYBODY THAT IS WILLING TO WORK WITH ME.

THANK YOU FOR READING THROUGH THIS AND GETTING TO KNOW ME A LITTLE BIT. I AM EXTREMELY HAPPY FOR YOU THAT YOU WERE ABLE TO OBTAIN "SIMPLY HEALTHY" AT NO COST TO YOU AT ALL.

AS YOU SCROLL TO THE NEXT PAGE YOU WILL FIND A VARIETY OF TIPS THAT I PUT TOGETHER FOR YOU TO BECOME SUCCESSFUL AT BEING "SIMPLY HEALTHY"

SIMPLY HEALTHY

1. WHERE DO I START? THAT'S THE QUESTION I OFTEN GET. THE ANSWER IS SIMPLE- JUST START HERE AND RIGHT NOW. MAKE IT HAPPEN! BELIEVE IN YOURSELF AND ELIMINATE ALL NEGATIVITY THAT MIGHT STANDS IN YOUR WAY. YOU CAN DO IT AND YOU WILL SUCCEED! YES
2. CURRENTLY YOU ARE LOOKING IN THE MIRROR AND ARE UNHAPPY WITH WHAT YOU SEE AND YOU ARE ALSO WONDERING HOW ARE THINGS FUNCTIONING INSIDE OF OUR BODIES. YOU WANT TO GAIN MUSCLE AND LOOSE WEIGHT BUT IT IS TOUGH. NOW SOMEONE TELLS YOU THAT YOUR THYROID IS NOT FUNCTIONING WELL AND THIS REALLY CONFUSES YOU. SO, YOU THINK CHECKING YOUR THYROID WOULD BE A GOOD IDEA? YES, BUT YOUR FRIEND DOESN'T REALLY HAVE A MEDICAL BACKGROUND AND IS PROBABLY WRONG. THE BEST ADVICE I CAN GIVE IS TO SIMPLY GET YOUR BLOOD WORK CHECKED. THERE IS A LARGE VARIETY AND WITHOUT INSURANCE IT MAY BECOME VERY EXPENSIVE. BUT HEY, WE ARE STARTING FROM NOWHERE. LET'S NOT GET CRAZY HERE AND GET INTO THE LABS THAT YOU SHOULD GET CHECKED. I WILL LIST A FEW HERE THAT ARE VERY IMPORTANT AND YOU MAY CONTACT ME LATER FOR MORE ADVICE BUT THE NEXT FEW LAB VALUES WILL BE GOOD ENOUGH TO GET YOU STARTED.
3. LABS ARE IMPORTANT. MALE OR FEMALE, TRY TO GET THE FOLLOWING CHECKED: CBC, CHEMISTRY-12, TESTOSTERONE(FREE+TOTAL), THYROID(TSH, T4, T3), LIPID PROFILE, HEMOGLOBIN-A1C, ESTROGEN PANEL(ESTRADIOL, ESTRIOL, ESTRONE), PROGESTERONE, C-REACTIVE PROTEIN, URINALYSIS, FIBRINOGEN, DHEA, PSA(MEN), HOMOCYSTYNE.
4. TOGETHER, WITH THE BLOOD WORK, GET A PHYSICAL CHECK. TRUST ME, JUST BY COMPLETING THE ABOVE BLOOD WORK AND GETTING A PHYSICAL EXAMINATION, YOU WILL FEEL LIKE THAT YOU HAVE ACCOMPLISHED SOMETHING AMAZING.
5. NOW LET'S REVIEW REALLY QUICK. I WANT YOU TO HAVE BETTER HEALTH. IT IS IMPORTANT TO NOT RUSH INTO THINGS. YES, I AM GIVING YOU ALL OF THIS FOR FREE BUT THAT DOESN'T IT'S BAD OR CHEAP ADVICE. MY GOAL IS TO HELP YOU CHANGE YOUR LIFESTYLE AND EXTEND YOUR LIFE TO THE FULLEST. THIS IS NOT A PERSONALIZED DIET OR WORKOUT PROGRAM. THIS BOOK IS HERE TO HELP YOU LOOK AT YOUR LIFE FROM A DIFFERENT PERSPECTIVE. RESPECT YOUR BODY AND YOUR HEALTH. IF YOU WANT TO BE HEALTHY, YOU WILL HAVE TO MAKE SOME SACRIFICES. THAT DOESN'T MEAN YOU HAVE TO CUT YOUR ARM OFF BUT SAY "NO" TO YOUR "OLD AND BAD" HABITS AND HAVE JOY WHILE DOING THIS. AND I WILL SAY THIS ONCE MORE: THIS SHOULD BY NO MEANS MAKE YOU MISERABLE LIKE SOMEONE WHO IS PREPARING FOR AN PROFESSIONAL FITNESS CONTEST. PLEASE HAVE FUN. INVOLVE YOUR FRIENDS AND FAMILY AND MAYBE MAKE A SMALL CHALLENGE OUT OF IT. SO, LET'S GET BACK INTO THIS AND REVIEW THE NEXT POINTS THAT I AM MAKING. READ THEM AND APPLY.

SIMPLY HEALTHY

6. DO YOUR OWN THING. WAY TO OFTEN WE GET STUCK WITH OUR EYES ON OTHERS. WE WANT WHAT THEY HAVE BUT IT DOESN'T WORK. THEN AFTER TRYING DESPERATELY TO CATCH UP TO THEM, WE FIND OUT THAT IT DOESN'T WORK AND WE ACTUALLY PUT MORE SPACE BETWEEN THEM AND US. FORGET ABOUT IT. SUCCESS LIES WITHIN, SO DO YOUR OWN THING!

7. SET A TARGET START DAY AND THEN STICK TO THE NEW CHANGES FOR 30 DAYS. YOU HAVE TO SET SOME TYPE OF GOAL IN ORDER TO NOT GET LOST. THIS IS VERY IMPORTANT. BEST IS TO START ON A FRIDAY A DAY THAT IS MOST CONVINIENT. AFTER COMPLETING 4 WEEKS OF BEING STRICT WITH YOUR NEW LIFESTYLE CHANGE, I WANT YOU TO REWARD YOURSELF. WHETHER IT'S EATING, DRINKING, SHOPPING, TRAVELING OR WHATEVER IT MAY BE. CHOOSE SOMETHING THAT YOU LOVE OR HAVE BEEN CRAVING FOR A WHILE AND REWARD YOURSELF WITH IT.

8. KEEP HYDRATED. THE TRADITIONAL 8 GLASSES OF 8OZ OF WATER IS MOST OF THE TIME NOT ENOUGH. I SUGGEST TO FILL UP A GALLON CONTAINER (IF AVAILABLE) AND FLAVOR IT WITH A CALORIE FREE WATER FLAVOR. YOU MAY OBTAIN YOURSELF BCAA'S POWDER AKA BRANCHED CHAINED AMINO ACIDS AND PICK A FLAVOR THAT YOU LIKE AND PUT THAT INTO YOUR WATER. A FLAVOR TO YOUR WATER WILL HELP TO DRINK MORE. DON'T JUST AVOID DRINKING BECAUSE YOU HAVE TO GO TO THE BATHROOM MORE OFTEN. THAT'S A VERY BAD EXCUSE. WE NEED WATER TO FUNCTION. YOUR BRAINS WILL WORK BETTER, YOUR MUSCLES WORK BETTER AND MOST IMPORTANTLY YOUR KIDNEYS WILL BE WORKING MUCH BETTER. DON'T GET DEHYDRATED.

9. EXERCISE. IF YOU ARE CURRENTLY FOLLOWING A EXERCISE PROGRAM, THEN YOU'RE IN A GOOD SPOT. PLEASE MAKE SURE TO HAVE SOME TYPE OF CARDIOVASCULAR EXERCISE IN YOUR PROGRAM. IF YOU'RE NOT WORKING OUT AT ALL, THEN I SUGGEST TO START RIGHT AWAY. HAVE A MIX OF CARDIO AND RESISTANCE TRAINING. THIS MAY SOUND A LOT BUT IT IS NOT MUCH AT ALL. REMEMBER, THIS IS NOT A PROGRAM FOR AN INTERMEDIATE/ADVANCED ATHLETE. THIS IS FOR YOU TO CHANGE YOUR LIFE AND DO A LITTLE BETTER THAN FROM WHAT YOU'RE CURRENTLY DOING. SEE THE FOLLOWING STEPS TO GET YOUR ROUTINE IN. AGAIN, MAKE IT FUN AND ENJOY IT. INVOLVE YOUR FRIENDS AND FAMILY. DON'T MAKE THIS DIFFICULT AND DON'T BE MISERABLE. DON'T FORGET WHAT I SAID IN THE BEGINNING: THIS IS YOUR LIFE AND IT IS LIKE A MARATHON, BUT INSTEAD OF MILES, IT IS YEARS. IT'S A LONGTERM COMMITMENT. ARE YOU COMMITED ENOUGH TO LIVE A LONGER LIFE?

SIMPLY HEALTHY

10. START OUT WITH 5 DAYS A WEEK OF EXERCISE. DO THIS FOR 4 WEEKS ONLY. COMMIT TO 60 MINUTES. YOU DO NOT HAVE TO BE A MEMBER OF A GYM. JUST COMMIT TO 60 MINUTES FOR 5 DAYS OUT OF THE WEEK. I SUGGEST TO START IN THE MORNING BEFORE YOU START YOUR NORMAL DAILY ROUTINE. SET THE ALARM ACCORDINGLY. DURING THOSE 60 MINUTES, ALL I WANT YOU TO DO IS EXERCISE. THIS IS NO ROCKET SCIENCE. PLEASE DON'T GET CONFUSED WITH WHICH PROGRAMS YOU SHOULD DO AND WHAT MUSCLE GROUPS TO PERFORM AND WHAT TYPE OF CARDIO! THIS BOOK IS NOT ABOUT THAT. OF COURSE, I CAN CREATE INDIVIDUALIZED PLANS BUT THIS IS MUCH MORE COMPLEX. IF YOU'RE INTERESTED IN SOMETHING MORE SPECIFIC, THEN SIMPLY CONTACT ME AND I WILL CREATE YOU SOMETHING. I WANT YOU TO MOVE YOUR BODY. GO OUTSIDE AND RIDE YOUR BIKE. PERFORM A WALK THROUGH YOUR NEIGHBOURHOOD AND ENJOY BEING OUTSIDE. IF YOU LIKE INCORPORATE JUMP ROPE OR PUSH UPS AND CRUNCHES. IF YOU HAVE A GYM IN YOUR HOUSE, APARTMENT COMPLEX OR NEARBY, YOU ARE WELCOME TO MAKE USE OF IT.
11. QUICK REVIEW OF THE ABOVE. DON'T FORGET WHAT WE ARE DOING. A LIFESTYLE CHANGE. NOT A COMPETITION OR ANYTHING SUPER ADVANCED. SIMPLY GIVE YOUR BODY 60 MINUTES OF ATTENTION. MAKE THAT TIME A PRIORITY. GET OUT OF THE WAY IN THE MORNING OR AT ANY TIME IN THE DAY. JUST GET IT DONE, 60 MINUTES, 5X/WEEK, 4 WEEKS.
12. ALWAYS KEEP HYDRATED DURING EXERCISE. BRING WATER WITH YOU. AS MENTIONED ALREADY ABOVE, DEHYDRATION IS TERRIBLE AND MAY GIVE TROUBLE WITH PROPER BODILY FUNCTION. I SUGGEST TO DRINK AS MUCH AS YOU NEED THROUGHOUT EXERCISE WITHOUT ACTUALLY COUNTING HOW MUCH YOU'RE DRINKING. SIMPLY, TRY NOT TO GET THIRSTY. IF YOU GO ON A RUN OUTSIDE, BRING WATER WITH YOU.
13. AFTER EXERCISE MAKE SURE YOU EAT A GOOD MEAL. IT'S GOOD TO HAVE A VARIETY OF FOOD SOURCES. BUT REMEMBER, THOUGH, TOO MUCH OF EVERYTHING IS NOT GOOD EITHER (YES, EVEN IF IT IS GOOD). OVER THE NEXT FEW POINTS, I WILL SUGGEST A FEW NUTRITIONAL ADJUSTMENTS THAT YOU CAN MAKE TO FEEL BETTER AND MORE ENERGETIC. YOU WILL ALSO FUNCTION MUCH BETTER OVERALL. YOU WILL HAVE INCREASED LIBIDO. YOUR HAIR, NAILS AND SKIN WILL GET STRONGER AND LOOK BETTER.

SIMPLY HEALTHY

14. YOU WILL HAVE TO EAT. YES, THERE IS NO WAY AROUND IT. IF YOU DON'T EAT, YOU ARE NOT GOING TO LOSE MORE WEIGHT. NOT EATING ENOUGH IS ONE OF THE UNHEALTHIEST THINGS YOU CAN DO. YOU WILL SUFFER AND BECOME MISERABLE. YOU WILL BE UNSUCCESSFUL IN TRYING TO BECOME HEALTHY. YOU WILL LOSE THE BATTLE!

15. OKAY, WE UNDERSTAND NOW THAT WATER AND FOOD IS NEEDED TO MAINTAIN HEALTHY. WE WANT TO GET A PHYSICAL AND BLOOD WORK CHECKED AS WELL. WE WILL SPEND ONE HOUR ON EXERCISING FOR 5 TIMES OUT OF THE WEEK. EVERYTHING CLEAR? NO, OF COURSE NOT, BECAUSE WE DIDN'T REALLY TALK ABOUT FOOD. SO, LET'S TAKE A LOOK AT THE NEXT POINT AND SEE HOW SIMPLE THIS WILL BE. REMEMBER, THIS IS FOR YOU TO CHANGE YOUR LIFESTYLE BUT NOT TO WIN A FITNESS CONTEST. THIS IS A LIFELONG MARATHON LIVE LONG AND BETTER WITH MORE OVERALL HEALTH.

16. WHEN IT COMES TO FOOD THINGS CAN GET VERY CONFUSING. TRUST ME, NOTHING HERE WILL BE CONFUSING. WE WILL NOT WEIGH ANY FOOD OR COUNT HOW MANY ALMONDS YOU SHOULD HAVE PER MEAL. THIS WILL BE JUST LIKE WITH MY ADVICE FOR EXERCISE. THERE IS NOTHING COMPLICATED. I WANT TO MAKE THIS AS EASY AND SIMPLE AS POSSIBLE FOR YOU. REMEMBER, ONE OF THE REASONS WHY YOU DIDN'T START IS BECAUSE THERE WAS NOTHING EASY. EVERYTHING WAS DIFFICULT AND HARD.

17. HERE IS WHAT I WANT YOU TO TRY TO DO. FOR THE NEXT 4 WEEKS, TRY TO EAT 4 MEALS AND 3 SNACKS. YOU'RE PROBABLY THINKING THAT I MUST BE CRAZY BY NOW AND THAT YOU WILL GET FAT FROM THIS. HOLD ON! STOP RIGHT HERE AND READ ON. THE SIZE OF THE MEAL IS NOT LARGE AND NOT ANYTHING COMPLICATED, I PROMISE. ALL YOUR MEALS WILL BE A VARIETY OF CARBOHYDRATES, PROTEINS AND FATS. INCLUDED ARE FRUITS AND VEGETABLES. I WILL HELP YOU AND ATTACH A LIST WITH A VARIETY OF GREAT SOURCES BUT YOU'RE NOT LIMITED TO THEM. YOU MAY CHOOSE YOUR OWN. AND ONCE AGAIN I WANT TO MENTION THAT THIS IS NOT A SPECIFIC DIET OR MEAL PLAN. THE UPCOMING ADVICE IS FOR YOU OUT THERE THAT NEED TO CHANGE THEIR LIFESTYLE AND TURN THEIR UNHEALTHY HABBITS INTO HEALTHY ONES. ON THE NEXT POINT I WILL GIVE YOU VERY SIMPLY MEAL IDEAS. YOU MAY COPY THEM BUT YOU CAN CHOOSE YOUR OWN. IT IS JUST IMPORTANT THAT WE EAT SMALLER MEALS AND MORE FREQUENT. THIS WAY YOU WILL BE ABLE TO ACTUALLY EAT LESS FOOD BUT MORE FREQUENT AND HUNGER FEELINGS ARE HARDLY FELT.

SIMPLY HEALTHY

18. DURING THE 5 DAYS THAT YOU ARE EXERCISING, EAT YOUR FIRST MEAL WITHIN ONE HOUR OF WAKING UP OR IF YOU PERFORM YOUR EXERCISE FIRST THING IN THE MORNING, THEN EAT WITHIN 30 MINUTES AFTER FINISHING YOUR WORKOUT. EAT A MEAL THAT HAS COMPLEX CARBOHYDRATES, A PROTEIN SOURCE THAT CONTAINS ALL ESSENTIAL AMINO ACIDS AND A SMALL FRUIT. TO ALL YOU VEGANS: SEE POINT # 29

MEAL EXAMPLES:

1. SHAKE: ½ CUP OF QUICK OATS, 1 SCOOP PROTEIN POWDER, HANDFUL OF FROZEN BERRIES. BLEND TOGETHER IN 10 OZ OF WATER.
 2. 2 SLICES OF WHEAT BREAD WITH 4 EGG WHITES AND 2 SLICES OF BACON. FINISH WITH A SMALL BANANA OR SMALL APPLE.
19. AS YOU CAN SEE, IT WASN'T HARD AT ALL. THE ONLY THING IS THAT YOU NEED TO DO IS, HAVE THE FOOD IN YOUR HOUSE. YOU DON'T NEED A SCALE. MEASURING CUPS OR MAY BE USED OR SIMPLY EYEBALL IT. THE POINT IS THAT YOU ARE ALREADY TRYING TO PUT A MEAL TOGETHER. THIS IS SOMETHING COMPLETELY DIFFERENT FROM WHAT YOU WERE DOING BEFORE. CONGRATULATIONS, THAT WAS EASY AND YOU DID IT! I AM PROUD OF YOU. THE LAST THING YOU WANT IS TO BECOME UNMOTIVATED.
20. NOW THE NEXT THING SHOULDN'T REALLY BE A MEAL BUT RATHER A SNACK. DURING THOSE 5 DAYS OUT OF THE WEEK, ON YOUR EXERCISE DAYS, I WANT YOU TO HAVE THE FOLLOWING... MEAL 1—SNACK—MEAL2—SNACK—MEAL 3—SNACK—MEAL4. A SNACK IS SOMETHING LIKE A HANDFUL OF NUTS, A PIECE OF FRUIT OR A HANDFUL OF BERRIES. IF YOU LIKE YOU CAN ALSO CONSIDER A FEW CELERY STICKS OR BROCCOLI AND CAULIFLOWER FLORETS AS SNACKS. AGAIN, JUST A SIMPLE REMINDER, THIS IS NO COMPETITORS DIET. THIS IS MEAL PLAN THAT IS PERSONALIZED. SO IF ANY OF YOU OUT THERE ARE EXPERTS OR EXPERIENCED NUTRITIONAL COACHES OR TRAINERS, PLEASE DON'T GO OFF ON ME. I AM SHARING THIS INFO TO YOU GUYS THAT WANT TO MAKE A LIFESTYLE CHANGE. OF COURSE, YOU MAY CONTACT ME AND I WILL DESIGN YOU A PERSONALIZED DIET AND EXERCISE PLAN.

SIMPLY HEALTHY

21. FOR YOUR SECOND MEAL, I WANT YOU TO HAVE A SMALL SALAD CONSISTING OF LETTUCE, SPINACH, BROCCOLI AND/OR CAULIFLOWER. IT MAY CONTAIN PEPPERS AND ONIONS. FOCUS ON THE GREENS MORE AS THOSE FOODS WILL KEEP YOU FULL. MUSHROOMS AND TOMATOES OR GOOD AS WELL BUT THEY ARE LESS DENSE AND MAY MAKE HUNGRY. TOGETHER WITH THE SMALL SALAD HAVE A PIECE OF PROTEIN SUCH AS FISH, CHICKEN, TURKEY OR STEAK. KEEP THE PROTEIN AMOUNT EQUAL TO THE SIZE OF YOUR PALM OF YOUR HAND. THIS IS NOTHING HEAVY. ADD A BIT OF DRESSING, PERHAPS A DRIZZLE OF YOUR FAVORITE OLIVE OIL, FLAXSEED OIL, WALNUT OIL....THE LIST GOES ON. IF YOU WANT TO ADD A FEW BERRIES, GO EASY ON IT BUT SURELY ADD THEM INTO THE SALAD. NOW WHAT I DON'T WANT YOU TO EAT IS BREAD CRUMBS OR CRACKERS WHICH COME WITH MOST SALADS. NO HEAVY DRESSINGS EITHER. BE HONEST WITH YOURSELF AND TRY TO STICK TO A SMALL LIFESTYLE CHANGE.

22. NOW WE ARE ALREADY A FEW HOURS INTO THE DAY. LOOK BACK AND SEE YOURSELF, IT WASN'T REALLY THAT MUCH FOOD.MAYBE A BIT MORE FROM WHAT YOU ARE USED TO EAT BUT DEFINITELY NOT MUCH. AND IF YOU ALREADY DID YOUR EXERCISE, YOU ARE PROBABLY HUNGRY AGAIN. I WOULD TRY TO SPACE OUT YOUR MAIN MEALS WHICH ARE 1, 2, 3 AND 4 TO EVERY 2.5 TO 3 HOURS. BETWEEN THOSE MEALS, PERHAPS RIGHT IN THE MIDDLE, YOU WILL HAVE YOUR SNACKS. I DON'T WANT YOU TO LOOK AT SNACKS LIKE THEY ARE A MEAL. SNACKS ARE SOMETHING FOR A SMALL ENERGY BOOST BETWEEN YOUR MEALS OR IF YOU GET HUNGRY, BEFORE THE NEXT MEAL IS DUE, A SNACK WILL GIVE YOU SATISFACTION UNTIL MEAL TIME ARRIVES. FOR YOUR 2ND SNACK OF THE DAY, I SUGGEST TO GO AGAIN WITH A HANDFUL OF NUTS, SMALL PIECE OF FRUIT OR A HANDFUL OF BERRIES. YOU ALSO COULD CHOOSE TO HAVE A FEW VEGGIES SUCH AS BROCCOLI, CAULIFLOWER OR CELERY STICKS. WE ARE TALKING A HANDFUL AS FAR AS PORTION SIZE.

23. REACHING THE 3RD MEAL CAN GET TRICKY FOR SOME OF YOU. THIS IS NEW AND MOST OF YOU HAVE NEVER HAD 3 MEALS WITH 2 PRIOR SNACKS. DON'T STRESS OVER THIS. I WANT YOU TO TRY YOUR BEST. YOU MIGHT NEED A WEEK TO DO THIS OR MAYBE EVEN 2 WEEKS. THAT'S ABSOLUTELY OKAY. YOU WANT TO TRY YOUR BEST WITH THE MEALS THAT YOU ARE ABLE TO EAT. SO, IF YOU ONLY GET 2 MEALS AND 1 SNACK, THEN TRY YOUR BEST TO STICK TO YOUR NEW LIFESTYLE CHANGING FOOD INTAKE. IF YOU CAN DO THAT, THEN YOU WILL BE HUNGRY QUICKLY AND SOON ENOUGH YOU WILL WANT TO EAT ANOTHER MEAL

SIMPLY HEALTHY

24. I WANT YOU TO EAT A WARM MEAL AT THIS TIME. A FEW COMPLEX CARBOHYDRATES, TOGETHER WITH A SOLID PROTEIN SOURCE AND GREEN VEGETABLES. PLEASE DON'T EXPECT ME TO MAKE A DIET HERE OR A PRECISE FOOD AND MEAL PLAN. YES, I KEEP REMINDING YOU GUYS ABOUT THIS BECAUSE I WANT YOU TO ENJOY THIS NEW LIFESTYLE CHANGE AND I DON'T WANT YOU TO GET LOST AND CONFUSED. AND ONCE AGAIN, I OFFER YOU TO CONTACT ME IF YOU ARE IN NEED FOR A MORE PERSONALIZED PLAN. THE 3RD MEAL COULD BE SOMETHING LIKE A ½ CUP OF BROWN RICE OR WHOLE WHEAT PASTA TOGETHER WITH A SMALL CHICKEN OR TURKEY BREAST WHICH ARE ABOUT THE SIZE OF YOUR PALM. ADD A HANDFUL OF GREEN BEANS OR ASPARAGUS TO THE MEAL. YES, THERE ARE MANY MORE OPTIONS. I DON'T WANT YOU TO GET LOST. THIS IS 4 WEEKS AND I WANT YOU TO TRY TO MAKE ADJUSTMENTS. AFTER THOSE 4 WEEKS YOU WILL FIND THAT YOU ARE A DIFFERENT PERSON, A HEALTHIER ONE AND YOU ALSO WILL GET TO KNOW YOUR BODY MUCH MORE.
25. WOW, YOU MADE IT TO THIS POINT. 3 MEALS AND 2 SNACKS DOWN AND 1 MORE OF EACH TO GO. I AM PROUD OF YOU FOR MAKING IT THIS FAR. TO THE PEOPLE THAT DO THIS EVERY SINGLE DAY, PLEASE RESPECT THOSE THAT ARE NOT LIVING THE SAME LIFESTYLE AS YOU AND I. WE ARE IN THIS TOGETHER. I WILL HELP YOU AND YOU WILL SUCCEED. FOR YOUR LAST SNACK, I DON'T WANT YOU TO HAVE ANYMORE FRUIT. THE DAY IS COMING TO AN END. YOUR METABOLISM GETS SLOWER AND THOSE LITTLE SUGARS FROM THE FRUITS ARE SIMPLY NOT NEEDED AT THIS TIME ANYMORE. I SUGGEST FOR YOU TO EITHER STICK WITH A HANDFUL OF NUTS AGAIN OR ANY OF THE VEGETABLE SNACKS FROM BROCCOLI, CAULIFLOWER OR CELERY STICKS. JUST BE CAREFUL WITH THE NUTS. YOU DON'T WANT TO END UP EATING GIANT HANDFULS OF NUTS. THIS CAN CAUSE YOU TO OVEREAT AND THEN IT'S EASY TO FALL OFF YOUR NEW PATH TO CHANGE YOUR LIFE.
26. ON TO THE LAST MEAL. ABOUT 30 MINUTES BEFORE BED AT THE LATEST. YES, YOU READ CORRECT. THE OLD MYTH ABOUT NOT EATING ANYTHING AFTER 6PM IS REDICULOUS. WHAT ABOUT PEOPLE THAT WORK IN SHIFTS OR PEOPLE THAT WORKOUT AT 10PM AT NIGHT? THEY AREN'T ALLOWED TO EAT BECAUSE IT'S PAST 6PM? LET'S FORGET ABOUT THIS ONE FOREVER AND EVER. THERE ARE MANY OTHER MYTHS AS SUCH AND NOW PEOPLE LIKE YOU, THAT HAVE NO REAL UNDERSTANDING ABOUT THIS ALL, WILL END UP IN TROUBLE. IT SHOULDN'T BE LIKE THIS AND YOU FOLLOW MY GUIDANCE, THIS IS NEVER GOING TO HAPPEN.

SIMPLY HEALTHY

27. THE LAST MEAL IS A MEAL THAT CONSISTS OF PROTEIN AND SOME FATS. THE LAST MEAL SHOULDN'T BE A SHAKE AS IT DIGESTS QUICKER THAN A MEAL. DON'T WORRY ABOUT EATING CLOSER TO BED. IF YOU FOLLOW MY GUIDANCE, YOUR BODY WILL BE THANKFUL FOR EACH MEAL THAT YOU EAT. I SUGGEST FOR YOU TO HAVE AN EGG WHITE OMELETTE. THIS COULD BE 5 EGG WHITES WITH A HANDFUL OF SPINACH. HAVE 4 TBSP OF COTTAGE CHEESE WITH THAT AND THERE YOU HAVE A GREAT MEAL BEFORE YOU GO TO SLEEP.
28. THERE YOU HAVE IT. 4 MEALS AND 3 SNACKS—SIMPLY HEALTHY. I AM HAPPY FOR YOU. I AM PROUD OF YOU BECAUSE YOU HAVE ACCOMPLISHED SOMETHING GREAT. EVEN IF YOU WILL HAVE A FEW STRUGGLES, I KNOW THAT YOU ARE GOING TO TRY YOUR BEST. IF YOU REALLY WANT THIS THEN YOU CAN DO THIS. LITTLE BY LITTLE, DAY BY DAY, WEEK BY WEEK AND BEFORE YOU KNOW IT, THE 4 WEEKS ARE OVER. TRUST ME, WHEN THE 4 WEEKS ARE OVER, YOU WILL WANT TO CONTINUE YOUR JOURNEY. YOU WILL FEEL BETTER AND THEN YOU WILL WANT TO GET BETTER AND BETTER. BUT TAKE YOUR TIME. REMEMBER, THIS IS A LIFELONG MARATHON.
29. NOW TO MY DEAR VEGAN FRIENDS. MY SHORT BOOK IS ALSO DESIGNED TO HELP YOU GUYS. THERE IS NOTHING COMPLICATED TO THIS. PLEASE APPLY ALL PRICIPLES. HAVE ALL THE MEALS AND ALL THE SNACKS. ALL THE EXERCISE DAYS AND DRINK THE SAME FLUIDS. THE ONLY THING THAT I WANT YOU TO DO, IS TO USE VEGAN FRIENDLY PROTEIN SOURCES SUCH AS PLANT PROTEINS, TOFU, VEGAN FRIENDLY PROTEIN POWDERS AND TRY TO INCORPORATE ANY OF THE OTHER VEGAN FRIENDLY FOODS. REMEMBER, I AM HERE TO HELP YOU CHANGE YOUR LIFESTYLE AND TURNING YOUR BAD HABBITS INTO GOOD ONES.
30. FINALLY, WHAT TO DO ON THE OTHER 2 DAYS? I WANT YOU TO DO EVERYTHING THE SAME EXCEPT YOU WILL NOT BE EXERCISING. USE THOSE 2 DAYS TO REST AND RELAX. EVEN IF YOU FEEL LIKE EXERCISING OR DOING SOME SORT OF WORKOUT, SIMPLY TELL YOURSELF THAT TODAY IS A RESTING DAY. ALSO, DON'T FORGET, THERE IS NO ALCOHOL DURING THOSE 4 WEEKS. SOME MIGHT SAY THAT THEY NEED THEIR GLASS OF WINE BEFORE SLEEP BUT I SAY THAT YOU DON'T. IT'S NOT FOREVER BUT FOR 4 WEEKS. DIET BEVERAGES ARE ALLOWED. PLEASE SEE THE LIST BELOW WITH A VARIETY OF FOODS FROM CARBOHYDRATES, PROTEINS AND FATS, TOGETHER WITH FRUITS AND VEGETABLES. I ALSO ADD SOME OF THE SUPPLEMENTS THAT I SUGGEST TO MAKE A STAPLE OF YOUR DAILY ROUTINE. FIND A SPECIAL "BONUS PAGE" BELOW. ENJOY!

SIMPLY HEALTHY

BEFORE I CONTINUE WITH TYPING THE LAST WORDS OF MY BOOK, I WOULD LIKE TO CONGRATULATE YOU FOR TRYING TO ATTEMPT TO EXTEND YOUR LIFE. NO MATTER HOW THIS WILL GO OVER THE NEXT 4 WEEKS, I BELIEVE THAT YOU WILL LEARN A LOT ABOUT YOUR BODY AND YOU WILL BE DETERMINED TO CONTINUE THIS JOURNEY. WHY? BECAUSE AFTER DOING YOUR BEST OVER THE 4 WEEKS, YOU WILL BE FEELING A LOT BETTER.

PLEASE DO NOT BE CONFUSED WITH STEPPING ON THE SCALE OR WORRY ABOUT YOUR WEIGHT LOSS GOALS. DON'T FORGET, THIS BOOK IS A GUIDE TO BECOME A HEALTHIER YOU! ALL YOU HAVE TO DO ARE VERY SIMPLE THINGS. READ THROUGH THIS GUIDE A FEW TIMES. THEN TAKE A LOOK AT SOME OF MY NUTRITIONAL ADVICE AND GO TO THE GROCERY STORE. DON'T MAKE THIS COMPLICATED AT ALL. I DIDN'T MAKE THIS CONFUSING IN ANY WAY. START OUT SIMPLE BUT TRY YOUR BEST. CHECK THE "BONUS PAGE" FOR AN EXAMPLE OF HOW YOU COULD STRUCTURE YOUR NEW DAY. IF YOU CAN'T DO THIS IMMEDIATELY, TRUST ME, THAT IS TOTALLY NORMAL. BUT DO YOUR BEST. EVERY DAY WAKE UP AND DO YOUR BEST. EVEN IF IT IS DRINKING MORE WATER THAN THE DAY BEFORE. OR, IF YOU'RE STRUGGLING WITH GETTING THE MEALS AND SNACKS IN, TRY TO, AT LEAST, COMPLETE ALL SNACKS. THOSE ARE LITTLE STEPS BUT SMALL STEPS ARE BETTER THEN NO STEPS.

I DON'T WANT YOU TO STRESS BUT TRY YOUR BEST. IF YOU'RE NORMALLY STAYING UP LATE, TRY TO GET TO BED AN HOUR SOONER THAN YOUR USUAL TIME. GIVE YOUR BODY REST TO RECOVER FROM DAILY STRESS. ON YOUR OFF-TRAINING DAYS, TRY TO DO SOMETHING RELAXING SUCH AS GETTING A MASSAGE OR TAKING A HOT BATH. SIMPLY DO ANYTHING THAT YOU FIND RELAXING. ALWAYS REMEMBER, YOU ARE PARTAKING A MARATHON THAT IS MEASURED IN YEARS OF LIFE. I COULD SIT HERE FOR YEARS AND EDIT THIS GUIDE BUT I BELIEVE THAT YOU AND YOUR WILL TO CHANGE YOUR LIFESTYLE ARE THE MOST IMPORTANT THINGS THAT YOU WILL NEED TO BE SUCCESSFUL ON YOUR JOURNEY TO BE A HEALTHIER YOU. I WILL ALWAYS BE HERE TO GUID YOU AND ASSIST YOU. PLEASE DON'T HESITATE TO CONTACT ME VIA EMAIL. I WOULD LIKE TO HEAR FROM YOU WHETHER YOU LIKED MY BOOK. I WOULD ALSO APPRECIATE IF YOU COULD CHECK OUT MY WEBSITE BELOW. THERE YOU WILL BE ABLE TO CONTINUE YOUR JOURNEY. I OFFER A VARIETY A PROGRAMS, FOR EVERYONE, TO REACH THEIR PERSONAL HEALTH- AND FITNESS GOALS-----SIMPLY HEALTHY

SIMPLY HEALTHY

BONUS PAGES

SIMPLE EXAMPLE OF WHAT YOUR DAY COULD LOOK LIKE. DO YOUR BEST. YOU CAN DO THIS!

08.30 AM—WAKE UP AND GET DRESSED. BEGIN EXERCISING FOR 60 MINUTES. SIMPLY GET OUTSIDE OR TO A GYM AND KEEP YOUR BODY MOVING AS MENTIONED IN DETAIL ABOVE.

10.00 AM—*EAT YOUR 1ST MEAL*-- ½ CUP OATMEAL WITH SOME FROZEN FRUITS ADDED. I LIKE TO SEASON IT WITH A BIT OF CINNAMON AND A FEW DROPS OF VANILLA. ON THE SIDE HAVE A SMALL PROTEIN SHAKE. THIS COULD BE ONE SERVING OF YOUR FAVORITE PROTEIN POWDER BLENDED TOGETHER WITH SOME ICE. YOU COULD ALSO BLEND EVERYTHING TOGETHER WITH THE OATMEAL AND OTHER INGREDIENTS, ALL IN ONE SHAKE. YUMMY

12.00 PM— *SNACK #1*--DEPENDING ON YOUR HUNGER, EITHER HAVE A SMALL PIECE OF FRUIT SUCH AS AN APPLE OR BANANA OR ANY OTHER FRUIT YOU LIKE. OR A HUNDFUL OF YOUR FAVORITE NATURAL NUTS ARE GREAT AS WELL. JUST CHOOSE ONE, EITHER FRUIT OR NUTS!

01.30 PM—*TIME FOR THE 2ND MEAL*-- A SMALL SALAD CONSISTING OF LETTUCE, SPINACH, BROCCOLI AND/OR CAULIFLOWER. IT MAY CONTAIN PEPPERS AND ONIONS. FOCUS ON THE GREENS MORE AS THOSE FOODS WILL KEEP YOU FULL. MUSHROOMS AND TOMATOES OR GOOD AS WELL BUT THEY ARE LESS DENSE AND MAY MAKE HUNGRY. TOGETHER WITH THE SMALL SALAD HAVE A PIECE OF PROTEIN SUCH AS FISH, CHICKEN, TURKEY OR STEAK. KEEP THE PROTEIN AMOUNT EQUAL TO THE SIZE OF YOUR PALM OF YOUR HAND. THIS IS NOTHING HEAVY. ADD A BIT OF DRESSING, PERHAPS A DRIZZLE OF YOUR FAVORITE OLIVE OIL, FLAXSEED OIL, WALNUT OIL ETC...IF YOU WANT TO ADD A FEW BERRIES, GO EASY ON IT BUT SURELY ADD THEM INTO THE SALAD.

02.30 PM—*SNACK #2*—SIMPLY THE SAME AS SNACK #1: DEPENDING ON YOUR HUNGER, EITHER HAVE A SMALL PIECE OF FRUIT SUCH AS AN APPLE OR BANANA OR ANY OTHER FRUIT YOU LIKE. OR A HUNDFUL OF YOUR FAVORITE NATURAL NUTS ARE GREAT AS WELL. JUST CHOOSE ONE, EITHER FRUIT OR NUTS!

04.30 PM— *TIME FOR THE 3RD MEAL*—1/4 CUP OF BROWN RICE OR SWEET POTATO WHICH IS SMALL ENOUGH TO FIT IN YOUR HAND THAT YOU COULD ALMOST CLOSE OR ABOUT 3.5OZ. HAVE THAT WITH A PIECE OF CHICKEN, TURKEY OR FISH. THOSE ARE ABOUT THE SIZE OF YOUR PALM. A HANDFUL OF LETTUCE OR SPINACH ON THE SIDE IS VERY GOOD.

SIMPLY HEALTHY

06.30 PM—*SNACK #3*—AT THIS POINT, NO MORE FRUIT SNACKS. A HUNDFUL OF YOUR FAVORITE NATURAL NUTS ARE GREAT AS WELL. OR A FEW PIECES OF BROCCOLI FLORETS OR CELERY STICKS

08.00 PM— *TIME FOR THE 4TH MEAL*—THIS IS YOUR LAST MEAL FOR NOW. EVENTUALLY YOU WILL DEFINITELY HAVE TO ADJUST FOR YOUR SCHEDULE. YOU MIGHT GET UP BEFORE THE TIME I GAVE AS AN EXAMPLE. THEN YOU MIGHT END UP WITH ANOTHER MEAL. REGARDLESS, IF YOU ARE NEW TO THIS LIKE SOMEONE TO WHOM I HAVE WRITTEN THIS BOOK FOR, YOU WILL DEFINITELY HAVE YOUR STRUGGLES TO GET ALL YOUR MEALS IN. IF NOT, THEN CONGRATULATIONS. AS THIS BEING YOUR LAST MEAL, TRY TO HAVE AN OMELETTE CONSISTING OF 1 WHOLE EGG AND 4 EGG WHITES. HAVE 4 TBSP OF COTTAGE CHEESE WITH THAT AND HALF OF A SMALL AVOCADO.

THAT'S IT. THERE IS A LARGE VARIETY OF MEALS THAT YOU CAN CONSUME. AS MENTIONED A FEW TIMES IN THIS BOOK, I AM NOT HERE TO CREATE YOU A PERSONALIZED MEAL PLAN OR WORKOUT PLAN. I AM HERE TO HELP YOU GET STARTED. I HIGHLY BELIEF THAT I HAVE ACHIEVED THIS AND YOU WILL FIND THIS GUIDE VERY USEFUL. I WANT YOU TO BE HUNGRY FOR MORE. I AM A NUTRITION EXPERT. DESIGNING CUSTOMIZED MEAL PLANS IS MY SPECIALTY. I HAVE WRITTEN CLOSE TO A THOUSAND INDIVIDUALIZED MEAL PLANS FOR ALL DIFFERENT TYPES OF PEOPLE WITH DIFFERENT BODY SHAPES. I HAVE CREATED MEAL PLANS FOR VEGANS, FOR PEOPLE THAT ONLY EAT CERTAIN FOODS OR FOR PEOPLE THAT HAVE SPECIFIC RITUAL FOODS. I HAVE CREATED MEAL PLANS FOR ILL PEOPLE AND HAVE HELPED THEM TO GET WELL. I LOVE WHAT I DO.

IF YOU NEED ANY FURTHER ASSISTANCE AND IF YOU ARE READY FOR THE NEXT STEPS AND GET CLOSER TO YOUR PERSONAL HEALTH- AND FITNESS GOALS, THEN DON'T HESITATE AND CONTACT ME VIA ANY OF THE ABOVE CONTACT INFO THAT I PROVIDED. I AM LOOKING FORWARD TO HELP YOU. ANY CHANGE THAT YOU CAN MAKE TO YOUR CURRENT LIFESTYLE, MAY HAVE AN IMPACT ON THE REST OF YOUR LIFE. THE ONLY THING IS THAT THERE IS NOBODY EXCEPT YOU WHO WILL DETERMINE TO DIRECTION OF THIS LIFESTYLE CHANGE. YOU ARE IN CONTROL! MAKE THE POSITIVE CHANGE TODAY! LET'S MAKE IT HAPPEN! TOGETHER WE ARE STRONG!

SIMPLY HEALTHY

QUICK VITAMIN GUIDE:

ANOTHER BONUS THAT I WOULD LIKE TO PROVIDE TO YOU ARE FEW RECOMMENDATIONS ON WHICH SUPPLEMENTS TO USE AS PART OF YOUR NEW LIFESTYLE. THIS IS BY FAR NOT A COMPLETE LIST AND YOU MIGHT WANT TO CHECK WITH YOUR HEALTHCARE PROVIDER IF YOU ARE ABLE TO CONSUME ANY OF THE LISTED VITAMINS.

Why do we need vitamins?

YOU'VE LIKELY HEARD THE EXPRESSION "YOU ARE WHAT YOU EAT." WHEN IT COMES TO GETTING ENOUGH VITAMINS, THIS COULDN'T BE TRUER. EATING A BALANCED DIET WITH A VARIETY OF FOODS ENSURES THAT YOUR BODY GETS THE VITAMINS IT NEEDS TO PROPERLY FUNCTION.

VITAMINS ARE ESSENTIAL TO YOUR NUTRITION AND TO THE HEALTHY FUNCTIONING OF YOUR BODY. THEY ARE GOOD FOR YOU IN MANY WAYS, INCLUDING:

- PROMOTING NORMAL CELL FUNCTION
- ENCOURAGING NORMAL GROWTH AND DEVELOPMENT
- ABSORBING OTHER NUTRIENTS
- PREVENTING DISEASE
- ADDING TO YOUR OVERALL WELL-BEING

MOST MEN CAN GET THEIR DAILY RECOMMENDED INTAKE (DRI) OF VITAMINS FROM THE FOOD THEY EAT AND DON'T NEED DIETARY SUPPLEMENTS, BUT CERTAIN MEN MAY REQUIRE SPECIFIC VITAMINS DUE TO BODY CHEMISTRY, ILLNESS, OR OTHER CONDITION.

What are the most important vitamins?

THE FOLLOWING VITAMINS ARE CRUCIAL TO PROPER BODY FUNCTIONING:

- VITAMIN A IS ESSENTIAL FOR HEALTHY EYESIGHT AND A HEALTHY IMMUNE SYSTEM.
- VITAMIN B-1 (THIAMINE) HELPS CELLS TURN CARBOHYDRATES INTO ENERGY.
- VITAMIN B-2 (RIBOFLAVIN) HELPS CELLS MAKE ENERGY.
- VITAMIN B-3 (NIACIN) AIDS DIGESTION AND NERVOUS SYSTEM FUNCTIONING.
- VITAMIN B-6 HELPS YOUR BODY PRODUCE HEMOGLOBIN AND SEVERAL NEUROTRANSMITTERS IN THE BRAIN, PROMOTES PROPER NERVE FUNCTION, BREAKS DOWN PROTEINS, AND HELPS MAINTAIN BLOOD GLUCOSE LEVELS.
- VITAMIN B-12 AIDS IN THE FORMATION OF RED BLOOD CELLS, HELPS MAINTAIN THE NERVOUS SYSTEM, AND AIDS METABOLISM.
- VITAMIN C PROMOTES HEALTHY GUMS AND TEETH AND HELPS THE BODY HEAL WOUNDS AND ABSORB IRON.
- VITAMIN D HELPS THE BODY ABSORB AND MAINTAIN PROPER BLOOD LEVELS OF CALCIUM.
- VITAMIN E IS AN ANTIOXIDANT, AND IT PROTECTS CELLS FROM CERTAIN TYPES OF DAMAGE. IT ALSO AFFECTS VITAMIN K.
- VITAMIN K IS CRUCIAL FOR BLOOD COAGULATION (CLOTTING).
- BIOTIN HELPS BREAK DOWN PROTEINS AND CARBOHYDRATES AND IS CRUCIAL FOR HORMONE AND CHOLESTEROL PRODUCTION.
- PANTOTHENIC ACID AIDS IN THE SAME WAYS AS BIOTIN.
- FOLATE (FOLIC ACID) AIDS THE FORMATION OF RED BLOOD CELLS AND IS ESSENTIAL FOR DNA PRODUCTION.
- ZINC IS IMPORTANT FOR IMMUNITY AND NERVOUS SYSTEM DEVELOPMENT.

How can I get vitamins?

MANY IMPORTANT VITAMINS CAN BE FOUND IN FOOD SOURCES, FOR EXAMPLE:

- EGGS: VITAMIN A, B-1, B-3, B-12, K, BIOTIN, PANTOTHENIC ACID
- AVOCADO: VITAMIN E, B-3, B-6, PANTOTHENIC ACID
- MILK AND FORTIFIED MILK: VITAMIN A, B-2, B-12, D, BIOTIN, PANTOTHENIC ACID
- CAULIFLOWER: VITAMIN K, C
- CITRUS FRUITS: VITAMIN C, FOLATE
- NUTS AND SEEDS: VITAMIN B-3, B-6, E, BIOTIN
- DARK GREEN VEGETABLES LIKE BROCCOLI, ASPARAGUS, AND BRUSSELS SPROUTS: VITAMIN C, E, K, FOLATE
- DARK LEAFY VEGETABLES: VITAMIN A, K, FOLATE

NOW THIS IS A QUICK RECOMMENDATION. THIS IS NOT A COMPLETE LIST AND FOR MANY OF YOU, THIS MIGHT NOT BE ENOUGH WHILE FOR OTHERS IT IS MORE THAN PLENTY. I ALSO SUGGEST TO ADD A MULTI VITAMIN TO THE LIST. I PURPOUSLY DID NOT LIST "IRON" AS MOST OF THE TIME IT IS COVERED WHEN EATING THE ABOVE FOODS THAT ARE RECOMMENDED OR WHEN TAKING A MULTI VITAMIN. LOOK CAREFUL THROUGH THE LIST. AT FIRST, PLEASE CHECK WHICH VITAMINS YOU CAN GET BY SIMPLY EATING THE RIGHT FOODS. ALL OTHER VITAMANS CAN BE OBTAINED FROM A VITAMIN STORE NEAR YOU OR VIA ONLINE FROM ANY OF THE ONLINE VITAMIN STORES.

CARBOHYDRATES-PROTEINS-FATS

HERE YOU FIND A LARGE VARIETY OF DIFFERENT FOODS THAT YOU CAN USE FOR YOUR DAILY DIET. THIS IS NOT A COMPLETE LIST. THE FOODS LISTED HERE ARE SOME THAT YOU COME ACROSS IN YOUR LOCAL GROCERY STORE OR FARMERS MARKET. ONCE YOU BECOME MORE ADVANCED AND KNOWLEDGABLE ABOUT NUTRITION, YOU WILL FIND MANY MORE FOODS THAT WILL WORK WELL FOR YOU. THOSE FOODS MAY OR MAY NOT BE ON THIS LIST BELOW. BE MY GUEST TO BUILD ONTO THIS LIST AND ADD ALL YOUR FAVORITE FOODS. IT WOULD BE AWESOME TO SEE YOU CONTACT ME WITH YOUR NEW, OWN LIST, AND SHARE IT WITH ME. PLEASE DON'T GET TOO EXCITED IF THERE ARE SOME FOODS MISSING THAT YOU MAY HAVE EXPECTED TO SEE. THE LIST CAN BE ENDLESS. ENJOY.
